Dear <First Name> <Last Name>

**This is an important note about changes to your pharmacy coverage.**

<Starting January 1, 2017, some of your covered drugs will be changing tiers. The drugs covered by your plan are broken up into tiers to help you understand what each will cost you.

The change in tier means the costs of some of your medications will change. They are:

- <Drug A>
- <Drug B>
- <Drug C>
- <Drug D>
- <Drug E>

If your drug cost has gone up, you may talk to your doctor about a lower cost choice with the same therapeutic effect.>

<To help keep costs down, your plan uses a list of covered drugs called a formulary. Beginning January 1, 2017, your plan will no longer cover some of the prescriptions you filled in 2016. These drugs are listed below.

<b>Drug(s) no longer covered</b>
<Non Covered Drug 1>
<Non Covered Drug 2>
<Non Covered Drug 3>
<Non Covered Drug 4>
<Non Covered Drug 5>

You may also ask for a non-formulary exception. This will allow you to continue having coverage for the same medication you have been using. For more information about the exception process, and how your medication costs may change, please refer to your 2017 Blue Cross Blue Shield of North Carolina benefits booklet.>

For more information about your covered medications, visit [bcbsnc.com/formulary](http://bcbsnc.com/formulary) or talk to your doctor.

Thank you for choosing Blue Cross and Blue Shield of North Carolina.

Sincerely,

A handwritten signature in black ink, appearing to read "Estay Greene".
